U-shaped Bartolomeo Light bar

Description:

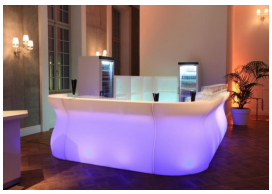

The versatile Bartolomeo bar system can be configured from modular elements to create a clean, elegant, freestanding square bar island.

With the U-shaped design, a bar system enclosed on three sides can be created.

Features:

- colour-changing LED lighting

- battery-powered, remote-controlled

The assembly includes the following elements:

- 3 straight bar sections

- 2 corner units

IT CAN ALSO BE USED OUTDOORS.

B'rent's illuminated furniture is suitable for both indoor and outdoor use, making it the perfect addition to any event.
Designed by Italian designers, the furniture looks stylish in daylight and creates a distinctive, magical atmosphere after dark. With freely adjustable colours, it can be coordinated with any décor. Battery power allows the furniture to be positioned freely.
